Making Your Own Bet – Head to Head

Have a Head to Head bet in mind?

To create your very own bet, select your chosen game in the **matches** tab.

Followed by clicking **BET NOW**.

Select **Head to Head** and add the value you wish to bet. Choose your opponent from your friends list by clicking on the circle silhouette at the bottom of the page. Once everything is complete, click Send Bet.

You will be notified once your opponent has accepted the bet. If they do not accept before the game kicks off, we will automatically refund you the funds.

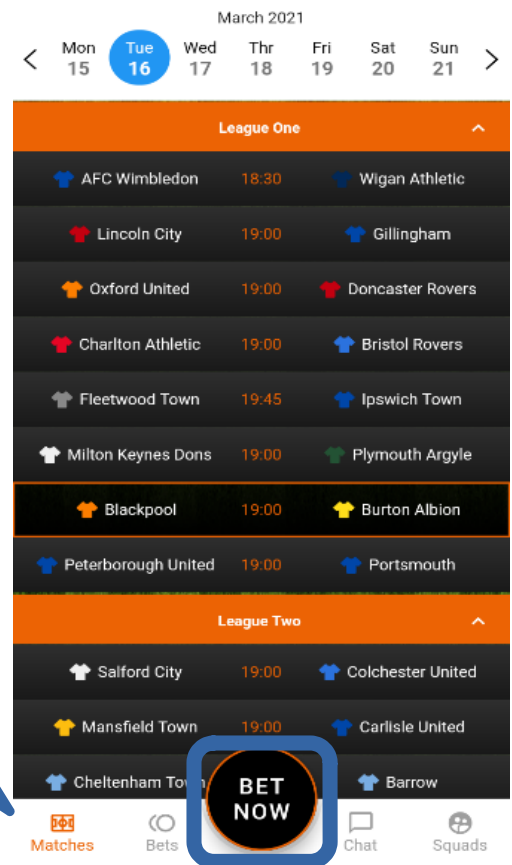

In the example image, you are betting that Blackpool will Win against Burton. If Blackpool lose or draw, your opponent will win your money. There is more information on possible bet options in How it Works.
